

**Tomorrow's Treasurers
Treasures & Trinkets Bag
Supply List Required Before Class**

1) Basic sewing supplies:

- Sharp Fabric Scissors, blade at least 4" long
- Strong straight Pins at least 1 ¼ " long with a colored head
- Tap Measure 60" long, plastic, not cloth
- Metal seam guide 5-6" long
- Seam Ripper
- Thread to match your fabrics
- Standard foot, edge foot, zipper foot for your sewing machine
- Erasable/water soluble Fabric Marker or chalk marker
- Wonder Clips (if available bring multiple sizes from small to large)
- Stiletto or Awl
- 90/14 Topstitch sewing machine needles, you may need 2-4 for class
- Rotary Cutter optional
- Stiletto or Awl
- Sewing Machine

NOTE: Key decisions to make before class:

- Determine whether you are going to use either clear vinyl, vinyl mesh, or fabric mesh for the three flaps and the three pods. On my sample I used all three. My sample is size large.
- Consider using two different fabrics for the bias binding for the three flaps and 3 pods.

2) Treasures & Trinkets Bag

- Pattern Treasures & Trinkets Bag by Annie available at Tomorrow's Treasurers
- Purchase all fabric and notions per the back of the pattern, except for the following:
 - Zippers - if you choose not to use zippers by the yard for all the zippers needed, use 6-12-14" sport zippers 3 for the flaps and 3 for the pods plus 1- 30" double slide zipper

- Interfacing, I used SFP101 fusible as a substitution for SUP179 listed on the pattern and it worked great
- Bring all leftover extra fabric to class
- Ribbons to match for zipper pulls instead of coordinating fabric (optional)

3) Pre-Work Required,

- Section I - Cut and quilt all pieces as listed on page 2 of the pattern
- It is very helpful to mark your pieces as you cut them, use the printed labels on page 8-10. Using the labels also helps in picking your main, lining, and coordinating fabrics for the bag
- Section II,A. - Cut the bias binding either using the method listed in the pattern on page 2 or use your favorite bias binding cutting method. Please sew all pieces of bias binding together.
- Section I B. – Cut and Seal Edges from the quilted set A and B per the pattern on page 3
- Section II A. – Prepare Facing, fuse interfacing to the flaps and pods facing
- **DONOT round any corners before class.**
- Consider doing the following before class:
 - Section II, A. Handles, Straps per the directions on page 3

NOTE: Sewing Machines:

You must bring along with your sewing machines the following:

1. All sewing machine accessories, feet (referenced above), screw driver, etc.
2. Must have owner's manual for your machine
3. Bring 2 extra bobbins with no thread
4. Remember to bring the power cord and foot pedal

For those students who need Sewing machines please contact store personnel for available sewing machine rentals.
