

KIMBERBELL ROPE BOWL

Please review the directions included with your designs then select your design.

The center design will be embroidered first, you choose the design.

Fabric needed for the embroidery will be base front, base back. The size of fabric will be determined by the size of the design you chose. Additional fabric may be needed if the design is an applique. You will need to read fabric requirements for the specific design.

After the embroidery is complete then we construct the bowl using the Kimberbell Rope.

Other supplies that you will need is:

Shape Form Interfacing

Fusible Backing (shape-flex)

Medium Cut-Away stabilizer (no show mesh)

Light Tear-Away Stabilizer.

Kimberbell Rope

Embellishment Kit (optional)

Fabric Glue or Hot Glue

Water Soluble Pen

Fray Block

Thread colors determined by design you selected.

Please have your design loaded onto your USB.
