

Master Your Stripology Rulers Class

This class will teach you to maximize your Stripology Rulers. These rulers are versatile and let you square up multiple sizes from 1 $\frac{3}{4}$ " to 12 $\frac{1}{2}$ " blocks accurately and quickly. In addition, you will learn how to make perfect half and quarter square triangles, and flying geese. Again you can make multiple sizes and learn to keep all of your points when putting them into your quilt or project.

These rulers do the above and much more.

Class Supplies Needed

At least one Stripology Ruler, preferably the XL or Stripology Squared

1 yard of inexpensive fabric

Rotary cutter with new blade

Sewing machine that can sew a simple seam

Cutting Mat preferably 18 x 24

Master Your Stripology Rulers Book.

Rulers and book can be purchased from Tommorrow's Treasures.
