

## Small Clothesline bowl with handles

March 20<sup>th</sup>, 2024

This project most likely will not take up the whole four hours allotted for the class, so if you want to bring extra, we can play with ideas.

### Basic sewing supplies

- Sewing machine that has adjustable zig zag (width & length) stitch
- 90/14 or 100/16 jeans needles
- Zig Zag presser foot (possibly an open toe foot)
- Long straight pins (just a few)
- Small ruler or tape measure
- Wonder clips
- Scissors
- stiletto

### Supplies for project

- At least 50' of 3/16" or 1/4" cotton clothesline. (this is what I purchased.. <http://tinyurl.com/yc5u2hkj> )
- a spool or two of thread to match your cording (this project can use allot of thread)
- at least two full bobbins with the same matching thread
- transparent tape
- glue stick (I use the Elmers one.. works great)
- Several strips of fabric 3/4" cut on the bias (at least three if WOF, doesn't have to be width of fabric shorter pieces are easier to work with)
- Can also bring along decorative buttons, flowers, etc. to decorate the bowl.
