- Purchase all fabric per page 46 of the Purse Clasp Book, except for the following:
 - Exterior fabric in the store sample is waxed cotton which is lined with cotton since it is not fusible; Heavier weight fabrics for the exterior is acceptable as well.
 - Quilting cotton is acceptable for both lining and exterior fabrics. Store sample the lining and coin purse is the same fabric. No directional fabric for the lining and coin purse.
 - Handles, I used Sew Hungry Hippie 100% leather sewable

straps in dark brown available at Tomorrow's Treasures.

3) Pre-Work Required before class,

- Trace Bauble Tote pattern pieces from the template in the envelop in the back of the Purse Clasp Book
- Cut all pattern pieces including pockets and interfacing as itemized on page 46 of the Purse Clasp Book. The store sample has only two different fabrics.
- ONLY Fuse fusible interfacing to the pattern piece for the outside tote before class (the rest will be fused during class)
- Consider not interfacing the inside pocket; the store sample the inside pocket has no interfacing, I like a softer pocket, easier to fill
- If you are using directional fabric for the outside tote please consider the size of the pattern since the tote is only $9\frac{3}{4}$ " wide X $8\frac{3}{4}$ " high and carefully cut out your pattern pieces
- Consider making you handles longer if you prefer them to go over the shoulder
- You will need 1-2 bobbins for each thread color, please wind these bobbins before class to save time.
- Bring all leftover extra fabric to class
