2) Crescent Tote/Purse

- Pattern Crescent Tote by Noodlehead available at Tomorrow's Treasurers
- Purchase all fabric and notions per the back of the pattern, except for the following:
 - Quilting cotton is acceptable for both lining and exterior fabrics. Heavier weight fabrics for the exterior is acceptable as well.
 - Handles, I covered the handles and used 4 metal rectangles to give the bag a little more style. Should you decide to do this

bring your fabric for the handles to class and I will give you the measurements to cut these. Also you may use 1" webbing if you choose in place of the 1 ½" webbing.

- I also added a magnetic closure which is optional
- Ribbons to match for zipper pulls instead of coordinating fabric (optional)

3) Pre-Work Required before class,

- Cut all pattern pieces including pockets. The store sample has three different fabrics. I used a fat quarter for the covered handles
- Fuse all fusible interfacing to the patterns pieces before class
- If you are using directional fabric please consider the size of the pattern due to the front pocket and carefully cut out your pattern pieces
- You will need 1-2 bobbins for each thread color, please wind these bobbins before class to save time.
- Bring all leftover extra fabric to class
